Re: Applicant's Form Identifier: 2001-471
Form 471 Application Number: 266152

CC Docket Nos. 96-45 and 97-21

Dear Sirs:

In order to meet your required notification timeline of 30 days from the date of my Fund Year 4 – 471-Rejection letter dated July 26, 2001, I am submitting this letter on the chance that the Universal Service Administrative Company, Appeals for Schools and Libraries will not accept our appeal. I have sent their office the following:

Please accept this letter as formal notice of appeal on behalf of the Ellensburg School District #401. When processing our FCC Form 471 application with the Universal Service Administrative Company I incorrectly used FCC Form 471 – September 1999 on a portion of the application instead of using FCC Form 471 – October 2000 for the entire application. This has resulted in our districts' application being rejected. Please reconsider this action and allow our application to be funded for the benefit of our students and staff within the school district. Our application has been reviewed by service representatives within the USAC and is complete in every detail. Again, please do not reject this valid request for financial support for our school district due to my error in completing what are identical forms/formats but only a different month and year at the bottom of the page on a portion of the application.

I have enclosed a complete copy of our application for your information. Please feel free to contact me directly at 509-925-8014 if I can supply any additional information in support of my request. Thanks.

Sincerely,

James R. Baker

Dear Applicant:

We are pleased to inform you that the Schools and Libraries Division (SLD) has received your FCC Form 470, "Description of Services Requested and Certification Form," although we have NOT yet received your Block 5 signed certification page. The posting date is noted above. This letter provides important information about the processing of your Form 470 application. Please read this letter carefully and retain it for your records and future reference.

The Form 470 Application Number listed above has been assigned by the SLD and will be used to track your Form 470. This number must be provided on each FCC Form 471, the "Services Ordered and Certification Form," that cites this Form 470. Any applicant who relies on this Form 470 will need to know this Form 470 Application Number. You may wish to share this number with those schools and/or libraries featured in this application to assist them in their preparation of Form 471.

FCC rules require that requests for tariff or month-to-month services and requests for new contractual services be posted on the SLD web site for a period of 28 days before selecting a vendor, to provide for a competitive bidding process. State or local laws may require a longer procurement cycle. This 28-day waiting period must occur before you may execute any contracts for contracted services; before you select your vendor for tariff or month-to-month services; and before you sign and submit your Form 471. In addition, if you are seeking support for the first time for services delivered under a multi-year contract signed on or before 7/10/97, the SLD cannot process your Form 471 until the 28-day waiting period has elapsed.

The date that contracts can be executed for contracted services or that selection can be made for a vendor providing tariff or month-to-month services is listed above as the "Allowable Vendor Selection/Contract Date."

For information about the filing window for FCC Form 471 for discounts on services to be rendered on or between July 1, 2001, and June 30, 2002, check the Schools and Libraries web site at www.sl.universalservice.org.

It is important to remember that not all requested services will necessarily be approved for discounts. Your FCC Form 471, the "Services Ordered and Certification Form" will be subject to review by the SLD for a determination of funding eligibility before funds are committed. (This review will consider all program rules including eligibility of discount recipients and the eligibility of services for which discounts are requested.) In addition, availability of funds will be a factor in funding decisions. Therefore, you should consider the possibility of a denial of funding or a level of funding below your request, and include appropriate contingencies in contracts for any or all of the requested services.

Thank you for your interest in the Schools and Libraries program. If you have any questions, please call the SLD Client Service Bureau at 888-203-8100.
